

CLIFFHANGER ENDINGS

A cliffhanger is an ending that leaves the reader wondering and anxious to read more. It might involve leaving the character in a dangerous situation or hinting at something exciting that is to come.

Find three chapters that end with cliffhangers and record the ending sentences, what they suggest and what actually happens in the next chapter to resolve the cliffhanger.

Cliffhanger sentence (and page):

What it suggests or makes you wonder:

What actually happens in the next chapter:
